

CAN YOU TAKE UP THE CHALLENGE TO TRANSFORM PROFESSIONALS INTO INDUSTRY LEADERS?

Join APIIT GRADUATE SCHOOL as a Senior Lecturer (Visiting basis)

The Asia Pacific Institute of Information Technology (APIIT) – Sri Lanka is a leading higher education institute established in partnership with APIIT- Malaysia and Staffordshire University, UK. APIIT – Sri Lanka offers internal British Degree Programmes in Computing/IT, Business Management and Law. APIIT – Sri Lanka also has credit transfer arrangements with a number of reputable universities in the UK and Australia and thus forms part of an international collaboration in cross border education.

APIIT – Sri Lanka provides an excellent academic environment and outstanding facilities for teaching/learning and research. To steer our expanding operations, we are looking for persons with strong academic credentials to appoint as Lecturers/Senior Lecturers for the APIIT Graduate School on visiting/part time basis.

Role Profile

Primary responsibilities encompass preparation of teaching / learning materials and assessments in consultation with Staffordshire University, teaching in MBA/MSc courses, assessment of students and project supervision.

Person Profile

Applicants should have a minimum Masters Degree qualification in the listed subject areas together with experience in teaching at a reputable University/Higher Educational Institute and/or relevant industrial experience. Commitment to student learning, and excellent communication skills are essential.
